

AMAGEZI GEMAANYI: KNOWLEDGE IS POWER

The Amagezi Gemaanyi Youth Association creates a safe, supportive, sustainable learning environment where Ugandan youth can develop leadership skills and express themselves creatively.

With 58% of its population under the age of 18, Ugandan youth are in vital need of spaces where they can evolve as effective community leaders. AGYA's action-oriented, youth-centered programs are designed to foster creativity, leadership, and critical-thinking.

AGYA currently provides more than 200 Ugandan women and children with a nurturing learning environment featuring tutoring and innovative arts and educational classes including computer skills, African history, language training, fashion design, poetry and creative writing, entrepreneurship, art, dance, and music, photography, film and media.
